and a secret weapon—

PARTNERSHIP
for a Greater Greenwood County & Economic
 **ALLIANCE**

www.partnershipalliance.com

Modeled after a private industry consulting firm, the Partnership Alliance *begins by understanding your business plan.*

Then our professional project managers provide the incentive- and expert-based support you need, including

- the perfect location
- projected needs evaluation
- government liaison
- logistical solutions
- full infrastructure assessment and creation
- competitive marketing statistics and insights

Because your future success means everything to us, the Partnership Alliance offers an unprecedented level of service and support. Meet with us to discuss how to make your dreams become reality in the Greenwood area.

**You can tell a lot about an area
by the company you keep...**

For the past 85 years, Greenwood Packing Company has served grocers in the Southeast with its *Carolina Pride*® line of pork products. Thriving on Greenwood's

- exceptional agricultural environment,
- far-flung transportation resources, and
- mammoth water and wastewater capacity,

Carolina Pride now offers 450 premium foodservice products to institutional accounts, restaurants and schools, and distributes commodity products throughout the US.

Carolina Pride and several Fortune 500 companies call Greenwood home.
